

## REMARKS

This application is the U.S. national stage of International Application No. PCT/US02/41181 filed December 20, 2002.

Claims 15-28 are presented for examination. Claims 1-14 have been cancelled without prejudice. Claims 15-28 have been added. Claim 15 is the only independent claim. Favorable review is respectfully requested.

The specification has been amended to change section headings to conform more closely to U.S. practice.

Claims 15-28 recite the features of claims 1-14 respectively, as those claims appeared in the international application. Claims 15-28 differ from their corresponding claims only with respect to formal matters and preferred U.S. practice. It is noted that the claims were amended in the international application by an Amendment under Article 19 of the PCT. The changes to the claims in that Amendment are reflected in the claims here presented.

In view of the foregoing amendments and remarks, the applicants respectfully request favorable consideration and early passage to issue of this application.

The applicants' undersigned attorney may be reached by telephone at (845) 894-3667. All correspondence should be directed to the address associated with Customer Number 45094.

Respectfully submitted,
